Special Order Menu

Pumpkin Pie - \$15

This traditional favorite starts by blending roasted and creamed pumpkin along with aromatic, autumnal spices including cinnamon, clove, allspice and ginger. Once baked in our made from scratch crust, it becomes the quintessential finish to any Thanksgiving feast.

Sweet Potato Applesauce Pie - \$15

A soulful, southern classic, our take features a distinct apple flavor and sweetness. Creamed sweet potatoes are combined with sugar, butter, milk and applesauce, as well as a generous pinch of cinnamon and nutmeg before baking off in a flakey crust.

Drunken Apple Pie - \$15

A favorite at the bakery, this pie starts by tossing fresh, crunchy, locally grown Honey Crisp apples with flour, sugar and cinnamon. Once piled high into our tender, homemade pie crusts, the apples are treated to a healthy splash of Calvados (apple brandy) and then baked to a delicious golden brown.

Bourbon Pecan Pie - \$18

Our sweet, dark custard pie gets its deep flavor not only from the finest molasses and the choicest pecans, but also a hefty slug of good ol' American whiskey. Our hand rolled, buttery pie crust rounds out this nutty, rich dessert.

Cheesecake (Pumpkin, Cranberry or Toasted Almond)

\$32 for 10" or \$28 for 8"

A guaranteed crowd pleaser- our classic, creamy cheesecakes exceptionally blend traditional ingredients with our own unique take on flavor. Gently baked with a crunchy, golden graham cracker crust, each is finished with your choice of toppings- spiced pumpkin, tart cranberry or toasted almond.

One of our specialties, these are a Thanksgiving tradition at Wild Flour. Pâte à choux is piped into éclair shells- after baking until golden brown, they are filled with pumpkin crème and topped with a cream cheese icing.
